3. The District Collector, Nandyal has further stated that the erstwhile district has not allotted the outsourcing staff to the District offices of newly created district and as a result retired employees/ computer operators were engaged on outsourcing basis to carry out the National Highways work and finally requested that (a) the amount being recovered for Vijayawada Benz Circle i.e. 50% total administrative charges may be deferred foe at least one year for newly created districts to ensure some sort of financial and administrative stability is achieved: (b) the charges being deducted by APRDS, CALA and Commissioner R&R may be revoked for new districts so that pace of Land acquisition is not hampered due to lack of funds and projects are completed in time bound manner.

4. In the reference 3rd read above, the Secretary, R&B has stated that in the ongoing Land Acquisition for NHAI projects, there is hardly any case of rehabilitation &

Resettlement (R&R) because NHAI usually avoids dense settlements and habitation area while fixing the alignment and finally suggested that the Administrative charges allotted to Commissioner R&R be released to Districts as an incentive to Collectors for doing brisk land acquisition as this mitigate the problems faced by the Collectors to a significant extent.

5.After careful examination of the proposal of the Secretary, TR&B, Government hereby order to share the balance 50% of Administrative Charges of the Departments up to 30.09.2023 and 100% Administrative Charges from 01.10.2023 among the following Departments as indicated in Table-1 &2 respectively: -
